Contains 1,2-benzisothiazolin-3-one at 0.0193% as a preservative

KEEP OUT OF REACH OF CHILDREN

Net Contents _____ g

UR-CAN INC.
3325 North Service Rd. Unit 104
Burlington, ON
L7N 3G2

289-426-1363

DIRECTIONS FOR USE:

To protect horses from attacks of Horse Flies, Face Flies, House Flies, Horn Flies, Black Flies, Mosquitoes and Gnats: Spray about 3 seconds on each side being careful to spray back, withers and forelegs thoroughly. Do not spray on face. To protect from face flies, spray onto a cloth and wipe on face avoiding eyes, nose and mouth. Repeat treatment when flies are troublesome.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat or store at temperatures over 50C. Do not use near heat or open flames. Not for use on humans. Avoid contact with eyes. Avoid breathing spray mist. Avoid contact with skin. Wash hands thoroughly after use. Vacate room after treatment and ventilate before reoccupying. Do not contaminate feed or water troughs. Do not use on sick animals or animals under drug or pesticide treatment. Before use on pregnant animals, consult a veterinarian. This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of waste.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store product in a cool and dry place, away from open flames and heat sources.

DISPOSAL: When container is empty, press valve to release pressure. Do not puncture or incinerate. Do not reuse container. Wrap and dispose of empty container with household garbage.

REVOLUTIONARY NEW EcoCan USES THE POWER OF AIR, THE NEXT GENERATION IN SPRAY TECHNOLOGY

Unlike products that utilise the EcoCan, normal aerosol products require that a percentage of propellant be included, the purpose of which is to expel the contents out of the can.

The ECOCAN delivers a silent jet without the use of CFC's or hydrocarbon propellants
The ECOCAN uses air pressure rather than propellants
The ECOCAN contains no propellants
The ECOCAN does not need hydrocarbon propellants
Propellants no longer needed with EcoCan

SPRAYS IN ANY DIRECTION, EVEN UPSIDE DOWN

The EcoCan delivers a quiet spray
